

# DAYCAB COMPANY

## Premium Sleeper Removal Kits

**Quality Kits  
Made in USA**

**OEM Matching  
Interior**

**Air-Ride Brackets  
Available**

Freightliner FLD

Kenworth AeroCab

**DAYCAB CO.** offers conversion kits to change integrated and non-integrated sleeper trucks into daycab trucks. Most Daycab Co. kits give you 4+ inches of additional cab room compared to factory daycabs. Kits come complete with installation hardware, instructions, and interior. All bracing and windows are factory installed. Air ride brackets are available for most models.

**Don't Need  
A Sleeper But  
Need The  
Space?  
Put a Daycab  
Co. Kit  
in its Place!**
